

## Assistant Superintendent's Report

This is my first year serving as the Assistant Superintendent of the 7<sup>th</sup> Division. I was a little naïve about what really goes on behind the scenes to keep the Division running. I am slowly getting the hang of it. At the last AGM I volunteered to contact Members who's Membership had expired. I have been slow to get started but hope to get the lengthy lists of Members soon. Life has a habit of getting in the way.

I think one of the challenges for the Division is Member retention. We have to find out why people do not renew, I have been working on a series of questions to ask the Members, about why they left, what would it take to get them to renew, etc.

I am looking forward to the New Year and participating at the 7<sup>th</sup> Division Shows and Meetings

Dan Rowsell

Assistant Superintendent

7<sup>th</sup> Division, NMRA Canada
