

7th Division PNR NMRA

Webmaster's Report

We averaged 977 unique visits to the web site each month.

New this year we added a members only section. There are 2 pages here. The first is **Recent Bulletin Boards**. This page has links to the most recent 12 issues of *the Bulletin Board*. The second page is **members only**. This page has the Bill Hewlett photo collection. This collection was gifted to the 7th division by the late Bill Hewlett. There is still some PNR convention photos and some logging photos to add.

To access the members only and recent Bulletin Board pages you must have an account. We had to stop allowing members to create their own accounts due to the large number of hacker logins. If you want an account send an email to:

webmaster@7divpnr.ca

Include your user name and NMRA member number and I will create an account.

There are 2 other pages to note. The first is the members layouts.

<http://www.7divpnr.ca/node/58>

Have a look and if you would like your layout included send a description, stats and a few photos to the above email.

The second page to note is the clubs page.

<http://www.7divpnr.ca/node/5>

If your club is not listed and you would like it to be send some information to the above email.

I really enjoy doing the web site and look forward to continuing into the future. All feedback is welcome.
