

100 Mile House to Prince George

Bulkley Valley to Prince Rupert

Prince George to the Yukon

Area Rep Russ Watson quite suddenly relocated to Victoria early in 2020 and his long service to the 7<sup>th</sup> Division from his home in Quesnel will be sorely missed. We wish him the best in his new location.

Fortunately, Jarett Dumas has very kindly offered to take over as the Area Representative for a region that is bigger than many medium-size countries. His responsibilities include 100 Mile House to Prince George; Bulkley Valley to Prince Rupert; and North of Prince George to the Yukon. He plans to continue Russ's legacy by organizing local area mini-meets or similar events once the health scare retreats. Meanwhile, we hope you'll give him your assistance and support.

Welcome aboard Jarett !
