**Subject:** DVD Library.

Hi Bob.

There was some conversation earlier about vhs tapes,they were sold off at a couple of train shows a few years ago and replaced with some dvd's.

I,ll attach the list to this email, maybe get them reposted to bulletin board & 7<sup>th</sup> div. website.  
The library was actualy used twice this year.

Cheers d gooch.

**7<sup>th</sup> Division AP Chairman's Annual Report  
November 2014**

I have reported all 7<sup>th</sup> Division AP activity in my AP Corner articles in each issue of the *Bulletin Board*, however in summary: Steve Stark earned Scenery, Prototype Modeller, and Electrical certificates and three structure merit awards after judges visited his layout to complete the evaluations in April; Jim Little earned two structure merit awards at the Kamloops meet in May and one other structure merit award at the Tacoma meet in June; and Kyle Gardiner earned four structure merit awards after judges completed evaluations on his layout in October. Thank you to all of the judges and especially Mike Chandler, Kyle Gardiner and Brian Clogg who travelled to home layouts to complete evaluations. And congratulations to Steve, Jim and Kyle!

I'm hopeful that more members will start to participate in the AP. For those of you not familiar with the AP, here is a paragraph about it from the NMRA website:

In simple terms, the Achievement Program (AP) is a travel guide, to help you on your journey through the world of model railroading. The AP also provides incentive to learn and master the many crafts and skills necessary in the hobby of model railroading. With the completion of each category, you will be issued a certificate acknowledging your achievement.

Please check out < [www.nmra.org](http://www.nmra.org) > and look for "Achievement Program" under the "Education" tab to start your journey? I would be happy to be your travel guide.

Respectfully submitted,  
Russ Watson  
PNR 7<sup>th</sup> Division AP Chairperson  
October 21, 2014

**Report of the Ross Heriot Memorial Gold Spike Award.**

**Prepared for the 7<sup>th</sup> Division PNR NMRA Annual General Meeting  
of 09 November 2014**

I am pleased to advised the this year, there have been five nominations received for the Ross Heriot Gold Spike Memorial award. Of these nominations two were for individuals who are already recipients. After due consideration by a small committee of previous recipients of this honour, I am please to advise that there will be a presentation of the Ross Heriot award at the TRAINS 2014 banquet later this evening.

Since the award was first presented in 1968, it has been made to 40 individuals and not awarded in 9 years. In some years the award has been made to two people in the same year. A list of previous recipients is available on the 7<sup>th</sup> Division Web Site.

*“The award is presented annually to the individual or individuals in the PNR 7th Division who has made a significant contribution to the division. It is in appreciation of his/her unselfish devotion of time and effort to further the aims of the NMRA, the PNR and the hobby of model railroading through assistance and service for the benefit of all model railroaders within the division.*

*The award is a once-in-a-lifetime presentation and candidates are nominated by their peers.”*

I look forward to continuing receiving nominations of additional worthy members who meet the award requirements.

Respectfully Submitted  
John Green
